

## Learning Prep School

*We educate students for life.*

### *The Difference starts with you...*

Plans are well underway for our 40<sup>th</sup> Anniversary Gala. Our goal for this year's special event is to reach for the stars by raising significant funds and strengthen relationships within our school community while having fun! This is Learning Prep's major fundraiser and we depend on the support of our entire community to make it work. Donating an auction item or placing an ad in the advertisement catalog contributes to the success of the event. "Celebrating our Galaxy of Stars" benefit will take place on Saturday, May 22<sup>nd</sup>, at Learning Prep School.

With your participation in this year's Spring Gala, we can advance our mission of serving students with language and learning disabilities while continuing to provide excellence in progressive education in the greater Boston area. **You can make a difference** in these children's lives by contributing to this year's event.

Enclosed you will find an auction item donation form, and an advertisement form. Whether you decide to donate an item or place an ad, your contribution will be prominently featured in the ad book. We are asking for everyone's help and participation.

If you have any questions, or would like to discuss your donation, please feel free to contact either one of us at the numbers listed below.

On behalf of the students who will benefit from your generosity, thank you for your support.

With appreciation,
