New Policy as of 9/2/09 for Nurse Coverage:

There will be no nursing coverage during extra-curricular activities, held after 4pm. Nurses will be on duty for all After School Programming Monday – Thursday, 2:30 – 4:00p.m.

Nurses are on duty for all school day hours 7:30am-3:00pm.

We highly recommend that a parent be present on the grounds for these extracurricular activities if their child's medical condition may require emergency medical services. For significant medical issues, including, but not limited to: anaphylactic reactions, cardiac issues, diabetic issues, and seizures, 911 will be utilized. If a student requires an Epi-Pen, glucometer, and/or inhaler, they should have one with them at the event.

We appreciate you assisting us in our goal of keeping our students safe while still allowing them to have fun.
