Box Tops for Education

Learning Prep School is collecting Box Tops! Box Tops are an easy way to raise money for your school! Box Top collection sheets will be passed out in all high school homeroom classes; just clip Box Tops from your favorite products and add them to the collection sheet. When your collection sheet is full, return it to school with 'Attention: **Michelle Cuddy**'.

To learn more about Box Tops for Education and how it can help our school [click here](#).

Leadership Transition

We are very pleased to welcome **Ted Sharp** as our interim Executive Director, beginning last week on **November 6**. Ted brings a rich skill set to LPS that will both complement and strengthen our own seasoned administrative and teaching staff, allowing LPS to continue to provide excellent academic programs to our students and ensure the smooth running of our school. We invite all LPS families to meet Ted on **Wednesday, November 15th from 7:00 – 8:00 pm** in the 2nd floor Community Room.

Winter Fair is back!

Learning Prep School will be hosting a Winter Fair on **Friday, December 8th** during the school day in the LPS Gym. The fair provides a wonderful opportunity for students of all ages to experience purchasing gifts for mom, dad or other loved ones. Of course, it also offers fun, food and games!

As always, we will be looking for volunteers and donations. Parents, we need items for the fair's "student shopping"- please look in your closets for items you don't need anymore, such as items you might sell at a yard sale. We are also looking for any donations for the event day such as treats and craft supplies. We are also in need of wrapping paper and scotch tape.

If you have items that you make and would like to sell them- you can have your own table, just contact **Debby** at dworcester@learningprep.org.

All items can be dropped off in the High School/ Administration Building, Attention: **Debby Worcester**.

Thank you for all your continued support and volunteer efforts. We look forward to a very enjoyable and successful fair!

Inclement Weather notifications

When inclement weather causes a school delay or cancellation, Learning Prep utilizes Auto Alert, an automated system used to call families with emergency information or school closings.

When you receive this call, you will see "[617-965-0764](tel:617-965-0764)" on your caller I.D. This system is activated by automated voice recognition. In order to receive these notifications from L.P.S., when the phone rings, you may either pick up the phone and say "hello" or you may leave your answering machine on. The response generated from your end of the phone will trigger the Auto Alert feature in our system. Please

understand that due to the distances that students and staff come from this call will come as early as 5:00 a.m. If for some reason you do not receive a call from the Auto Alert and you feel school may be closed please watch TV channels 4, 5 and 7, or check the Learning Prep website's homepage.

As weather is very unpredictable across the communities we serve, please use your judgment to guide your decision to send your child, if school/work is not closed. If a child stays home due to weather, it is considered an excused absence.

Staying healthy

Welcome back from The Nursing Department!

Staying healthy during cold and flu season can be challenging. Check out this helpful article, "[The Flu: A Guide for Parents](#)" and check out these helpful tips for your entire family:

- **Wash your hands.** Frequent hand washing, using soap and warm water, can eliminate germs.
- **Alcohol-based hand sanitizers** are okay to use when your hands aren't visibly dirty, and/or you don't have access to a sink.
- **Cough or sneeze into a tissue** or your elbow, not your hands
- **Avoid touching your hands** to your nose or mouth.
- **Get plenty of sleep.** Sleeping eight hours a night allows your body to keep up its defenses.
- **Drink Water.** Staying hydrated helps with flushing your system, improves digestion, removes phlegm from your airway and helps fight fatigue.
- **Take time to exercise.** Regular exercise helps to keep up your stamina.
- **Don't forget your flu vaccine.** Flu vaccines are being offered in your pediatrician's office, health clinics, and local pharmacies.
- **Eat well and take your daily vitamins.** Studies show that eating foods high in Vitamin C, Vitamin A and Zinc help to fight colds.
- **Take time to relax.** Meditation or just "down time" helps decrease stress.

If your child gets sick, here are some guidelines to follow. It is the policy at Learning Prep School to keep a child at home if s/he has:

- a fever over 100 degrees Fahrenheit during the past 24 hours
- a cold in the active stages: disruptive coughing, running nose, sneezing
- a sore throat and/or swollen neck glands
- an un-diagnosed rash or skin eruption
- vomiting or diarrhea during the past 24 hours

It's important to stay home, get rest and to avoid spreading the illness and please let us know if you are keeping your child home because of illness.

If you have any questions or need to reach the Nursing Office, we can be reached at [617-965-0764 x 410](tel:617-965-0764).

Yearbook orders

2017-2018 High School Yearbooks are on now sale! Order forms already went home with students or you order online and add special features!

Two ways to order:

1. [Download the order form](#) and return to **Kaitlin Scorzella**
2. [Order a yearbook online](#)

If you have any questions or concerns, please contact **Kaitlin Scorzella** at kscorzella@learningprep.org.

Spread the word about Learning Prep School
